

Peace of Mind

PEACE OF MIND

FOR A MORE SECURE TOMORROW

One of the most thoughtful ways you can **express your love** is through making arrangements in advance. This gives your family the advantage of knowing your specific wishes, so they can **avoid hasty decisions and financial problems** at a time of bereavement. Now you can have a plan that assures complete funeral arrangements and **relieves an emotional burden from those you love**.

Consider this...

- By making decisions in advance, you bring priceless peace of mind to yourself and your loved ones.
- Advanced planning relieves your family of many burdensome decisions at a very difficult time.
- You can arrange the exact type of funeral service you desire for yourself and your loved ones.
- Provides inflation protection against the rising cost of funeral services and merchandise.
- You choose the plan and payment method that best meets your needs.
